Menu

All our culinary preparations are entirely homemade, based on fresh, seasonal, organic and local products. Our dishes are enhanced with Superfood, plain and rich in vitamins and minerals.

The purely plant-based diet is the core of our concerns, which is why we do everything to satisfy you both in terms of your desires and the benefits for your body.

The dishes offered on this menu are entirely prepared on site from raw products and traditional kitchen products according to the criteria of the label.

«Homemade» established by the Fédération Romande des Consommateurs (FRC), Gastro Suisse, Taste Week and Slow Food.
